

decisions with confidence

The mystery of Exploration Investment

...or why exploration is like Cricket

Who we are

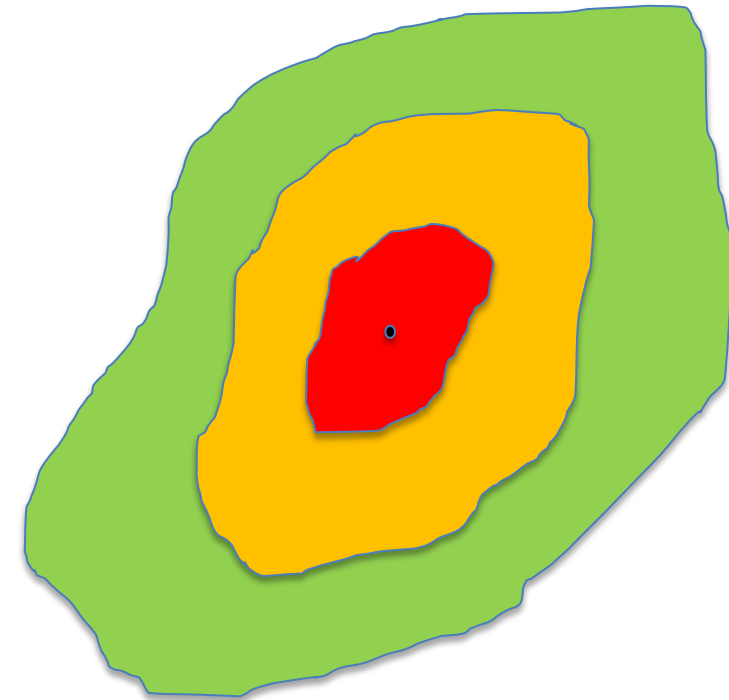

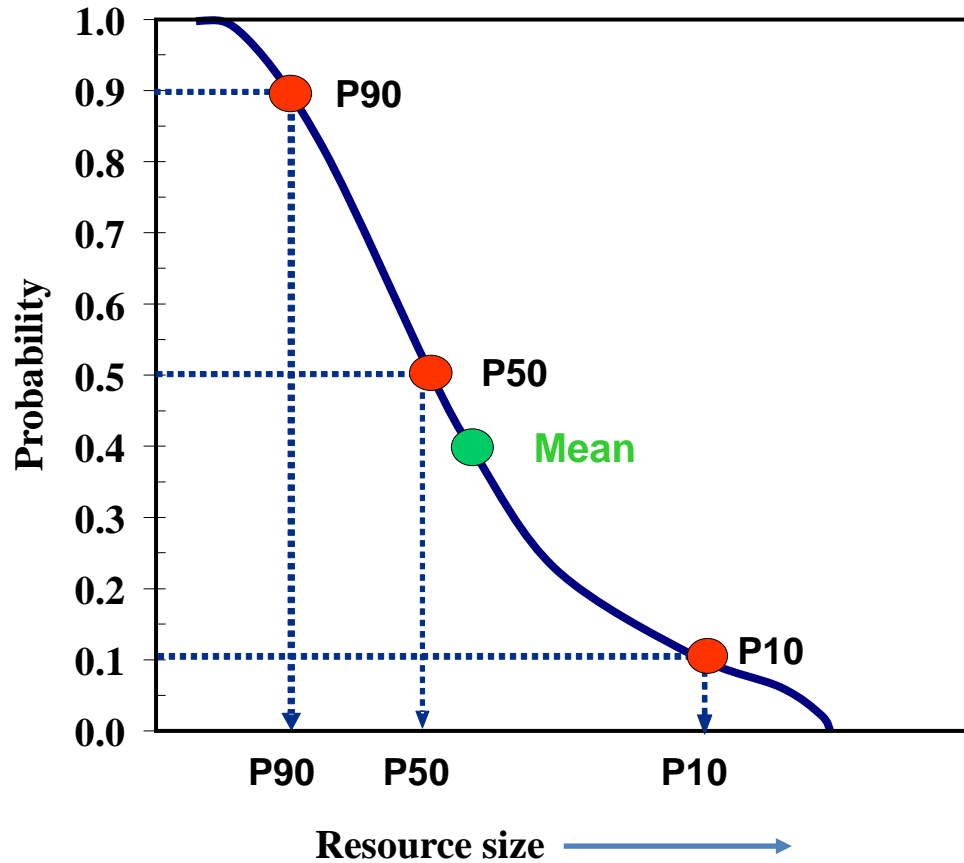

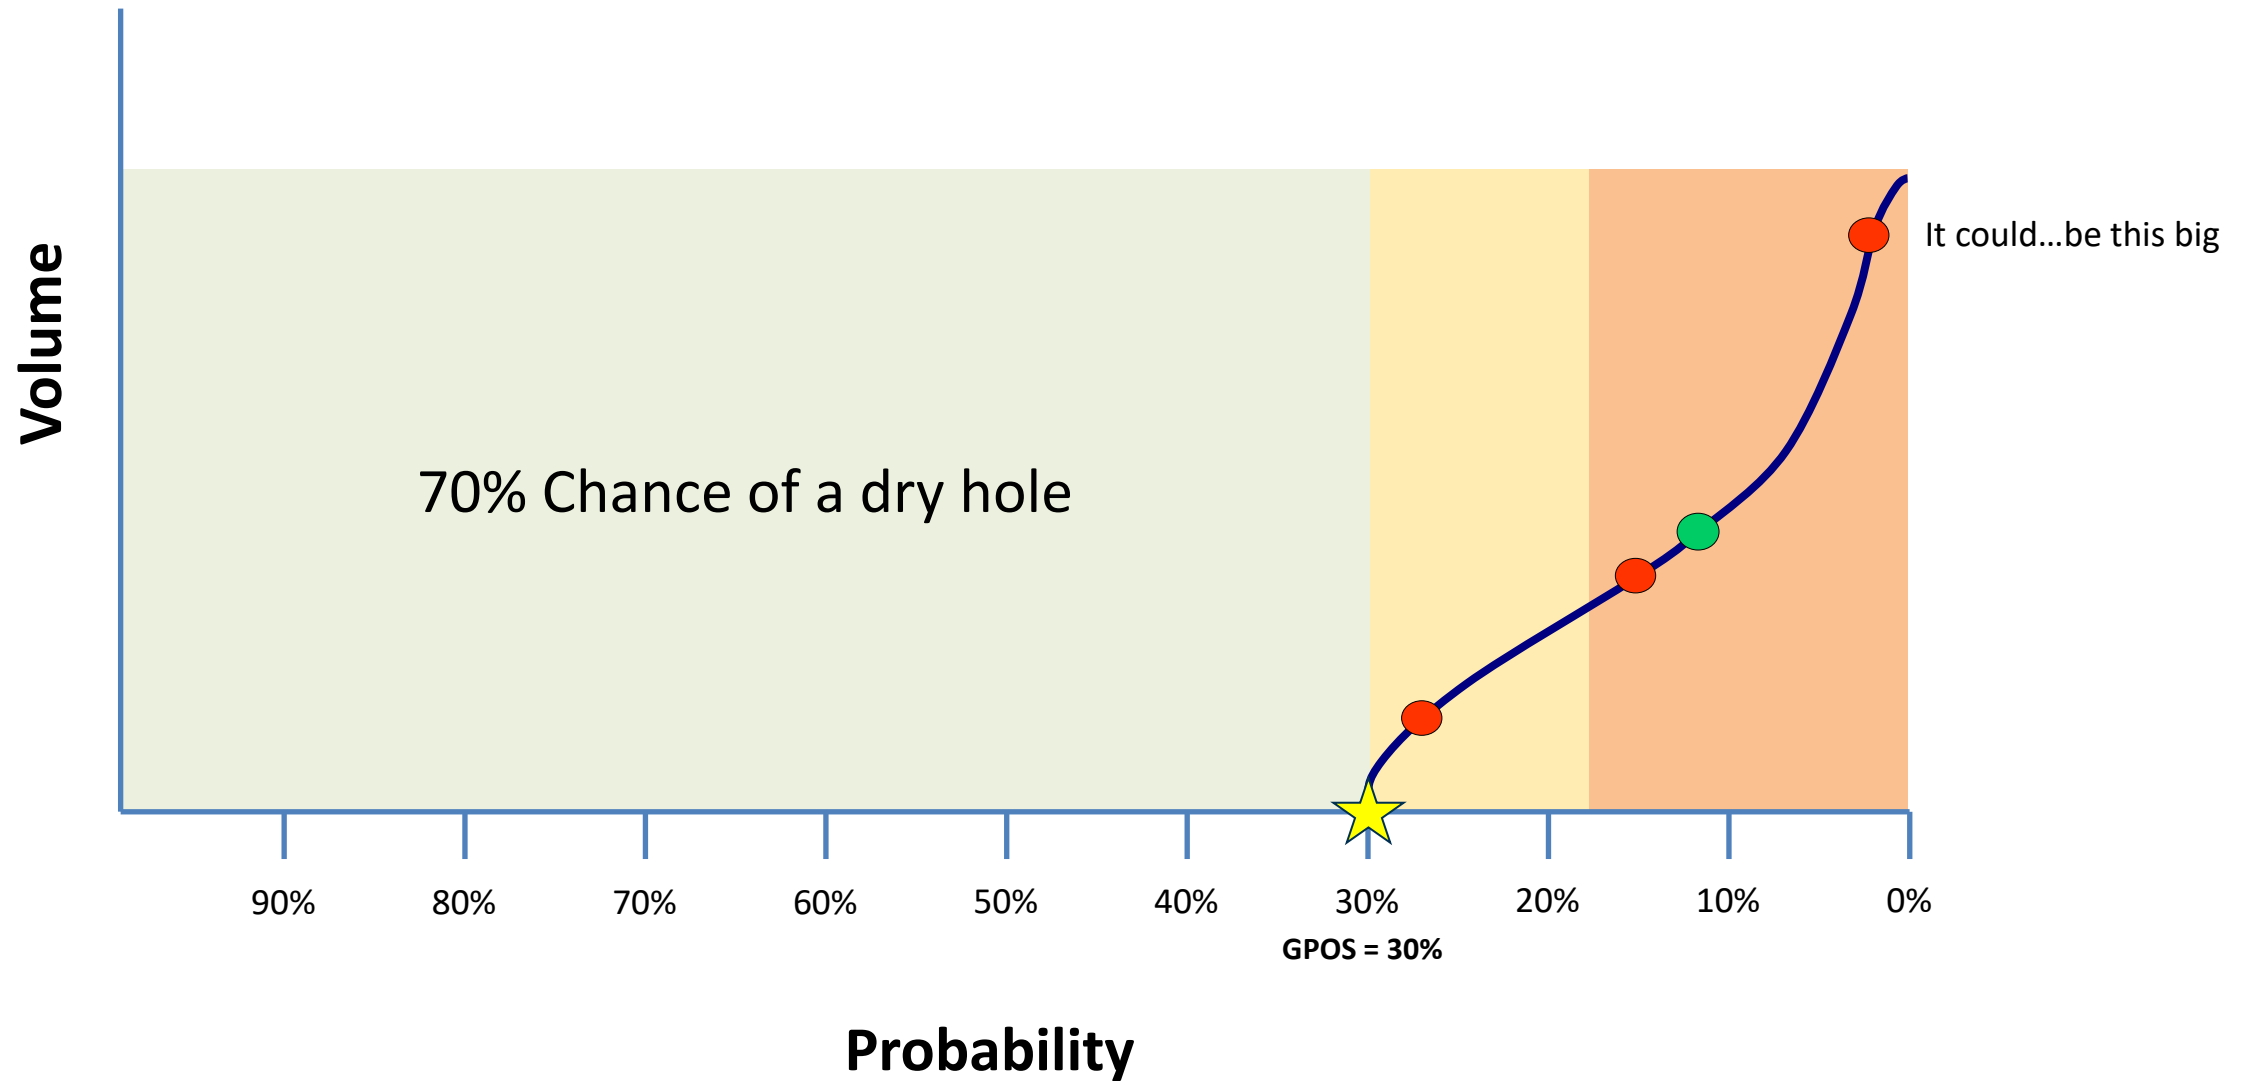

RISC is an Australian based independent advisory firm. We provide impartial advice to a broad range of clients in the energy industry, enabling them to make their business decisions with confidence.

- We advise clients on the underlying value of their petroleum assets.
- With a full range of capabilities and many years of practical experience, we provide our clients with independent and insightful views on a range of technical, commercial and strategic requirements.

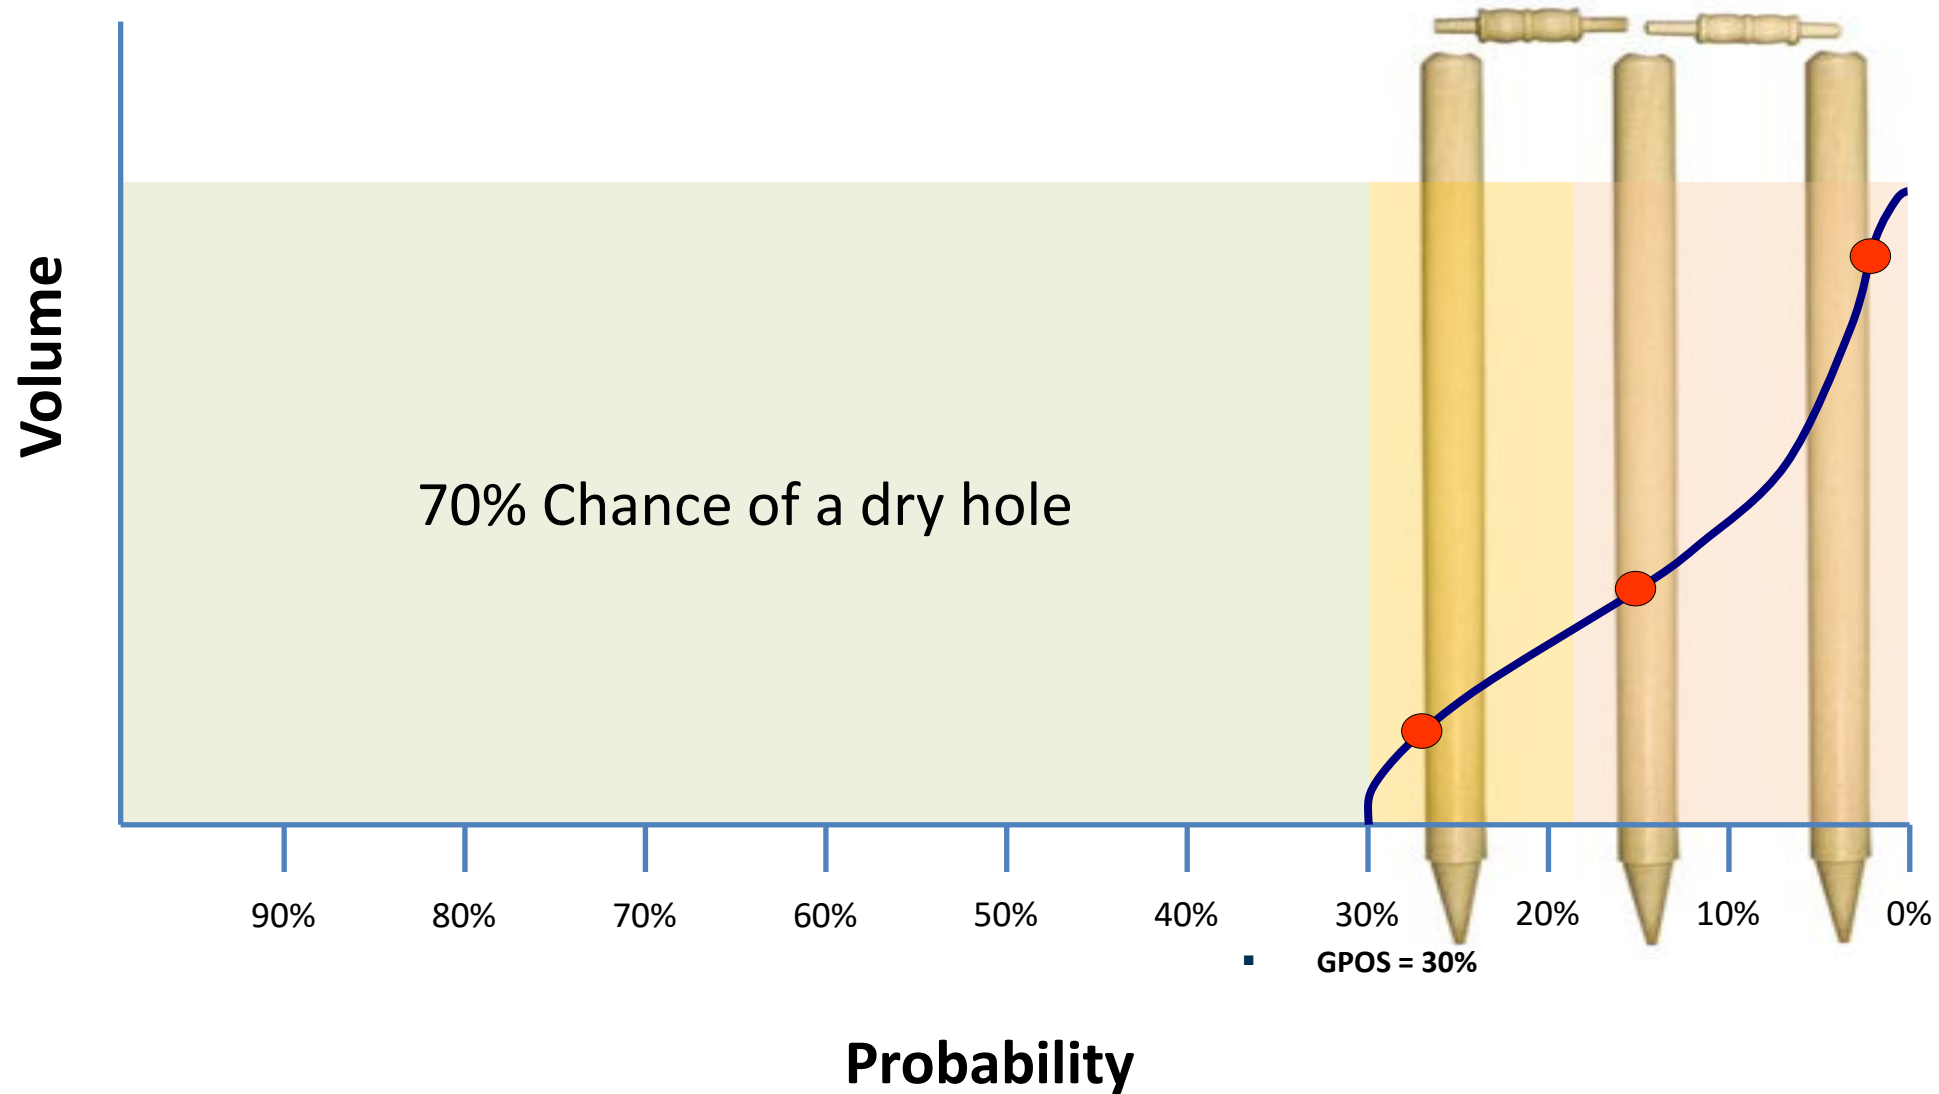

How we describe resources once they are discovered...

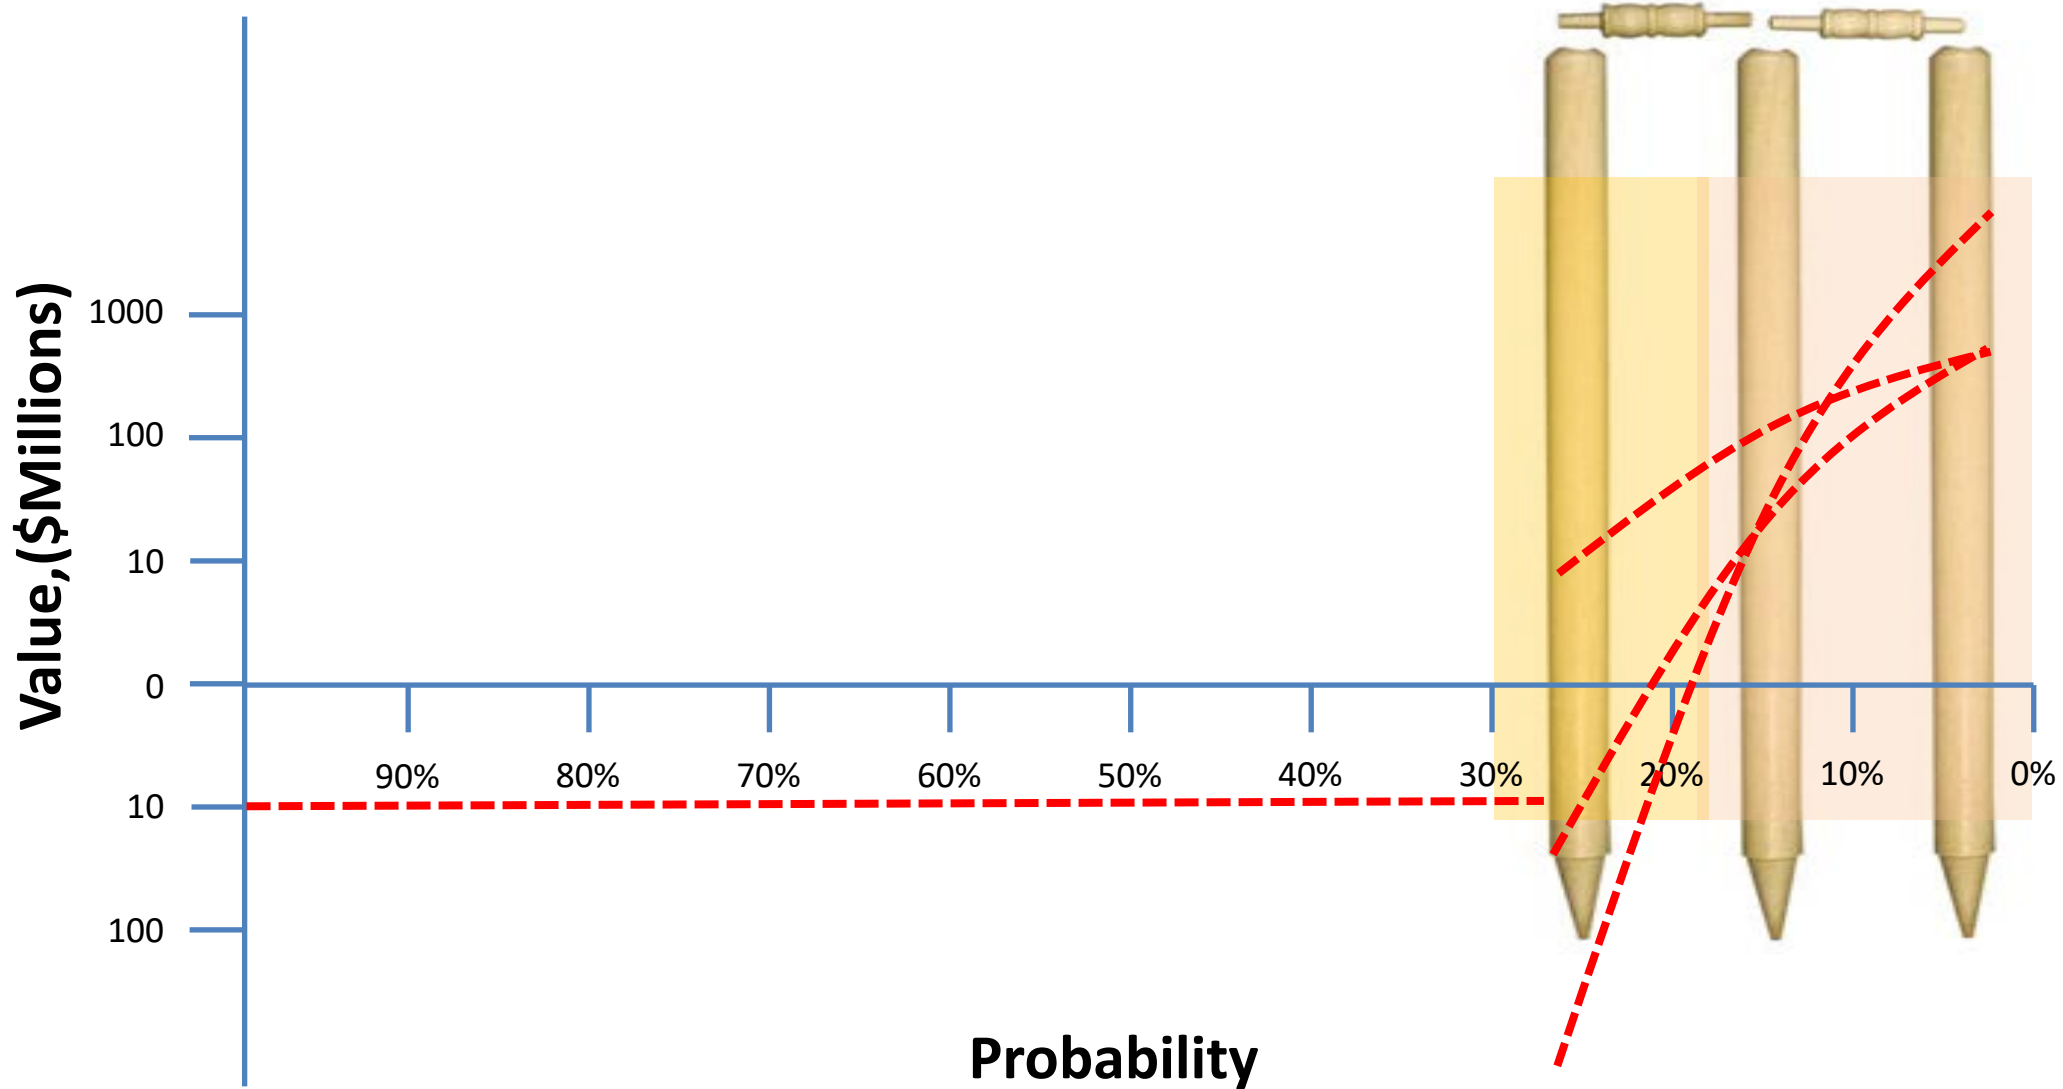

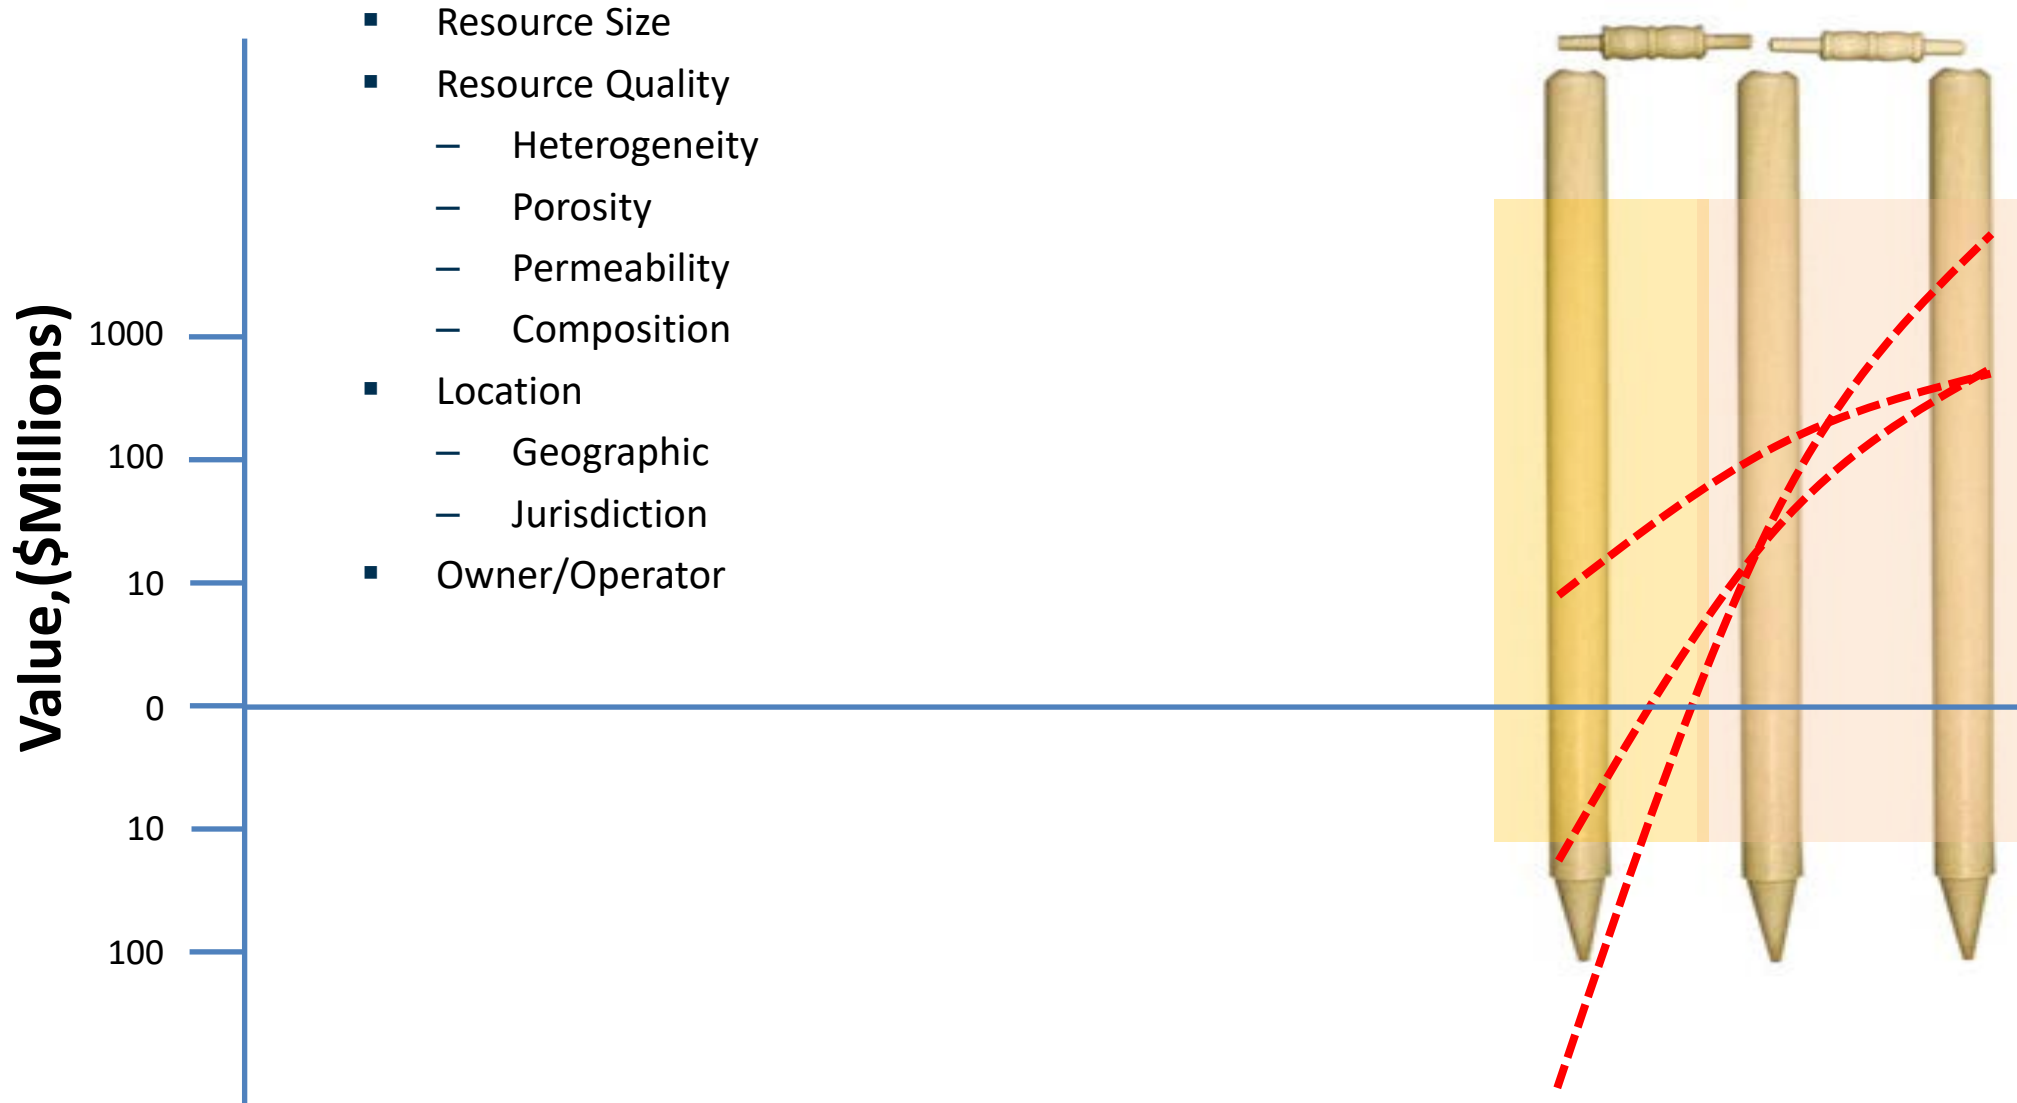

Exploration is like Cricket...?

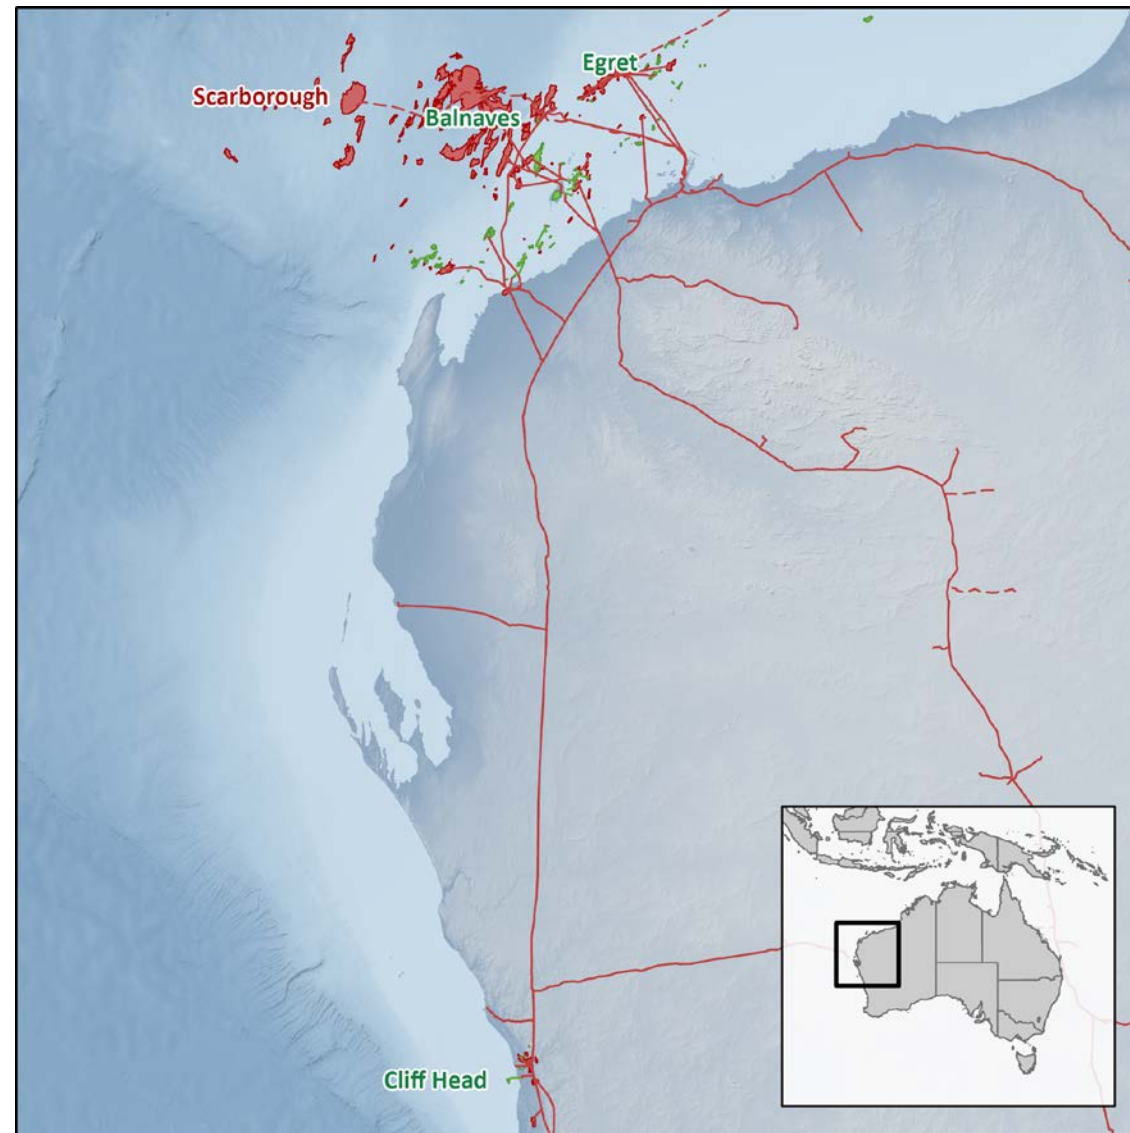

Why is the corridor of uncertainty important?

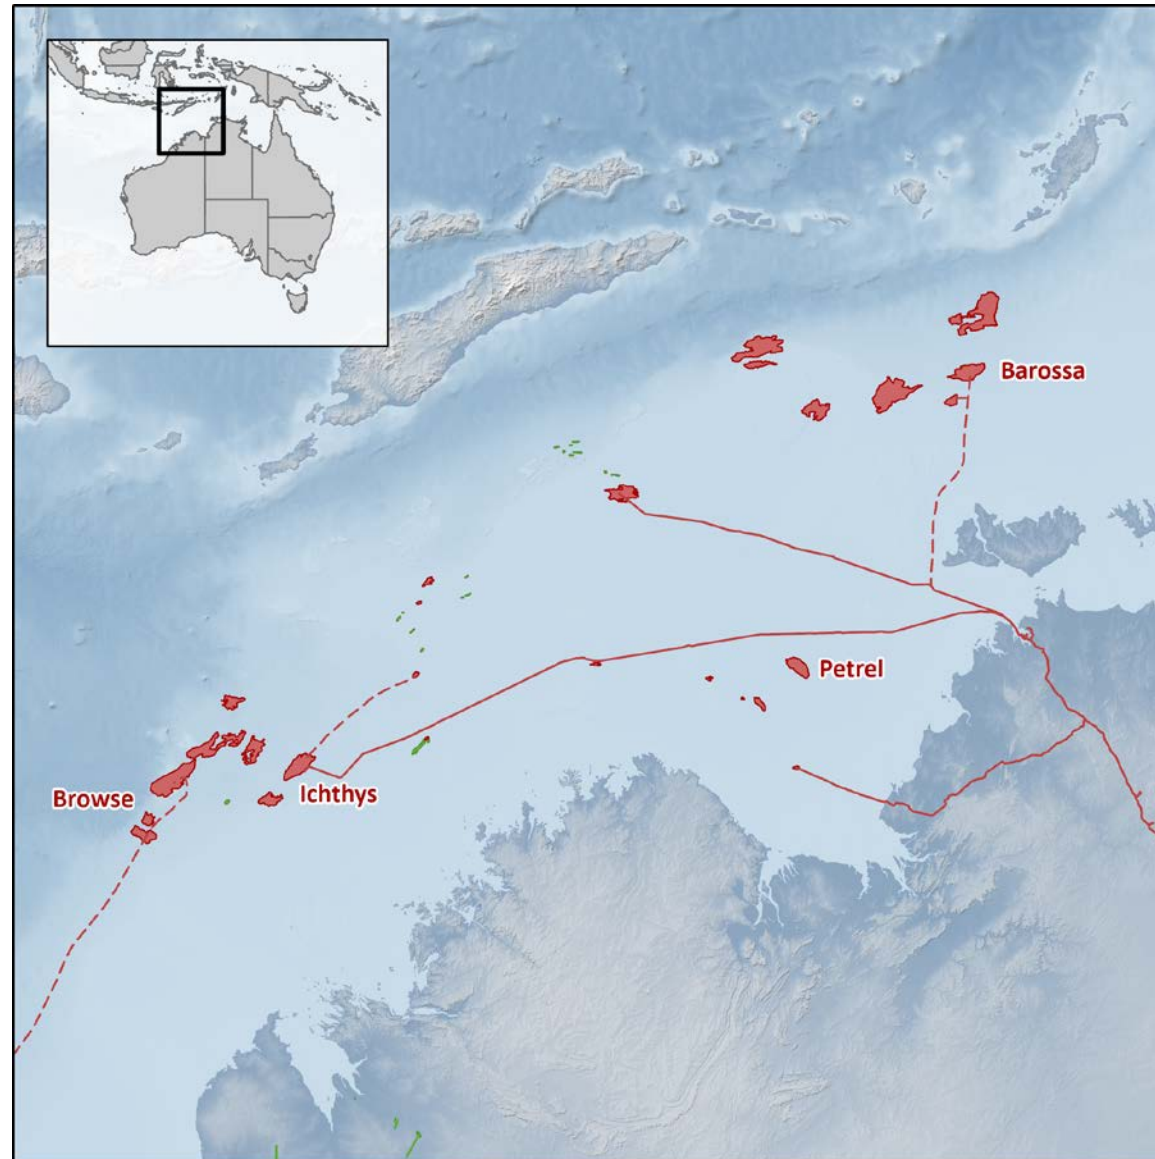

What determines value?

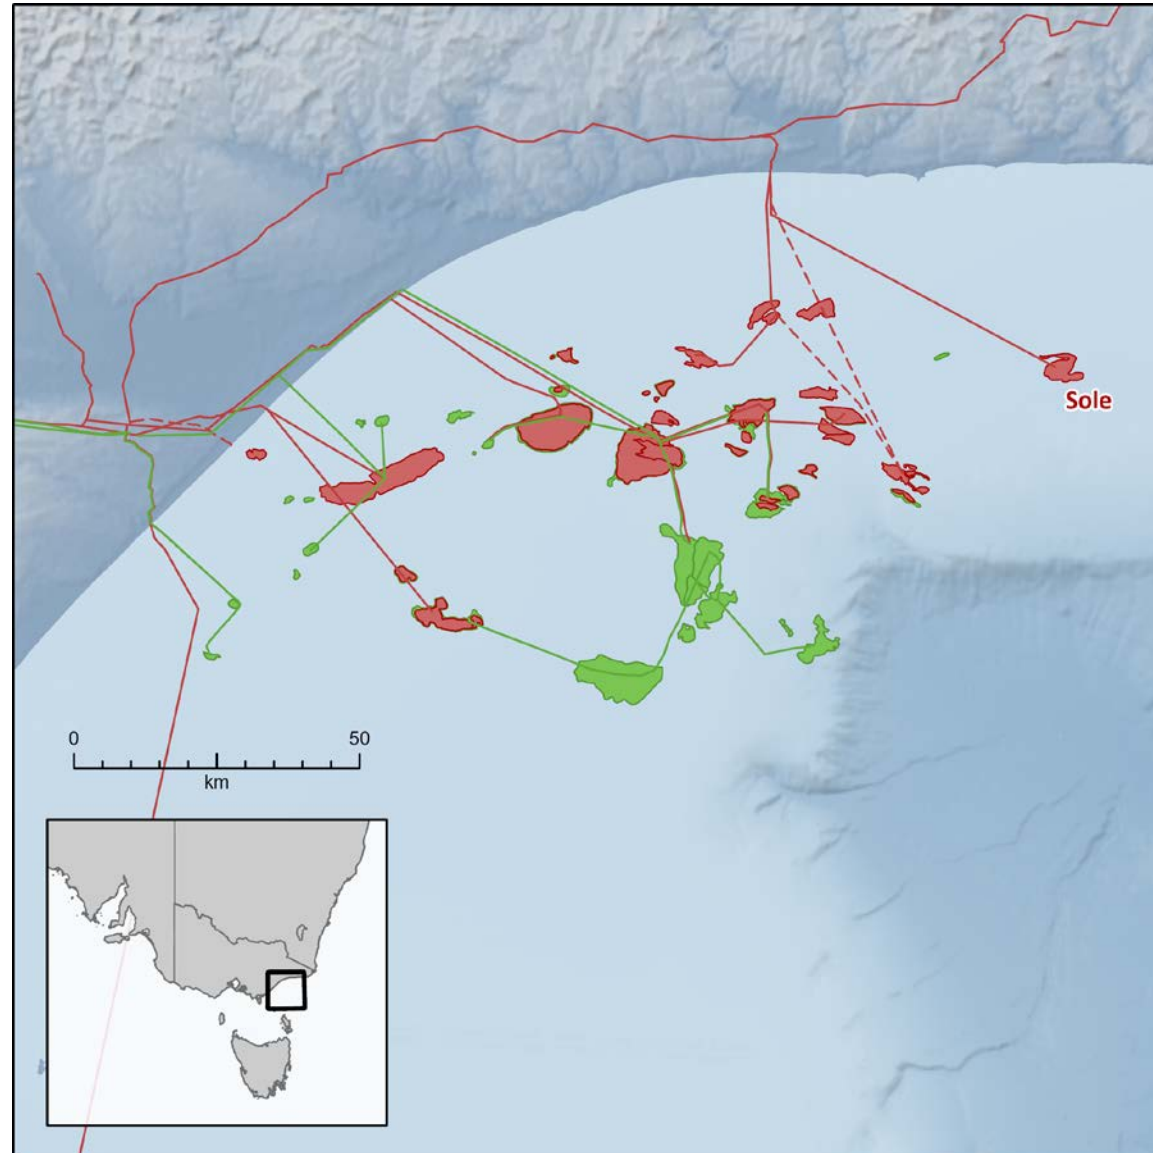

Location, location, location

Location, Jurisdiction, Ownership.....

Why RISC can help

We cover the entire E&P Project Lifecycle from basin entry to restoration

In a typical month we work on:	✓	✓	✓	✓	✓	✓
20 Projects/80 Assets	15	10	20	5	25	3
Annually we work on:						
100+ Projects/500+ Assets	100+	80+	100+	30+	200+	25+

The RISC Group has over 25 years' experience in providing advice to the energy industry

- We have completed over 2,000 assignments in over 90 countries for more than 500 clients
